

TOURS & PACKAGES

THE CLASSICS

Arboretum Park Tour

Take a guided stroll through the 7-acre Arboretum Park to learn about its diverse gardens and natural features. See the work of our student leaders who help co-create and maintain our greenhouse, various gardens, and natural areas that make up the park. Length: 1-1.5 hours

Natural Lands Tour

Take a guided hike on a nature trail through a small part of UCF's 800+ acres of natural land. Learn about the native plants and animals of the Florida Flatwoods ecosystem. Length: 1-1.5 hours.

***Best of Both Worlds Tour**

See all there is to see of the Arboretum by combining the Park and Natural Lands into a single tour. Length: 3.5 hours

***See General Tour Pricing for additional information**
