

The document continuing below is an overview of the Learning by Leading Impact Assessment. This assessment is completed via online survey that can be found by scanning the following QR code.

Learning by Leading Student Leadership Program

Semester Impact Assessment Report

Student Name: _____

Role (Paid Leadership Student / Registered Student Intern): _____

Semester: _____

Program Area (e.g., Sustainability, Education, Outreach): _____

Coordinator Name: _____

Mentor Name: _____

Date Submitted: _____

1. Summary of Activities and Responsibilities

Briefly describe your primary responsibilities and the projects or initiatives you contributed to this semester.

2. Skills Developed

How much do you feel you improved in the following skills this year?

(Rank 0-5; 0=None at all, 5=A great deal)

–Career & Self Development

1 2 3 4 5

–Communication

1 2 3 4 5

–Critical Thinking

1 2 3 4 5

–Leadership

1 2 3 4 5

–Perspective Awareness (demonstrating flexibility & collaborative thinking)

1 2 3 4 5

–Professionalism

1 2 3 4 5

–Teamwork

1 2 3 4 5

–Technology

1 2 3 4 5

3. Impact on Program Goals

Reflect on how your work contributed to the goals of your program area and the broader mission of Learning by Leading.

> Example: Increased community engagement by 30% through outreach events; helped implement a new composting initiative on campus.

4. Personal Growth and Reflection

Discuss how this experience has impacted your personal and professional development.

- What challenges did you face and how did you overcome them?

- What are you most proud of?

- How has this experience influenced your future goals?

5. Collaboration and Mentorship

Describe your experience working with peers, mentors, and community partners.

> Example: Collaborated with local nonprofits to host workshops; received mentorship on project management from program coordinator.

6. Feedback and Suggestions

Provide constructive feedback on the program structure, support received, and any suggestions for improvement.

> Example: More structured onboarding would help new interns acclimate faster.

7. Additional Comments

Feel free to share any additional thoughts, stories, or highlights from your semester.
